Especially for you

From the entire ABC Ford family to you and yours, we want to thank you for your support this Holiday Season.

As a valued neighbor, we would like to take this opportunity to present the wonderful lineup of Ford vehicles as well as our quality services.

We hope you take advantage of the enclosed \$50 Gift Card in either our Service or Parts Department.

This is a limited-time offer; please see the back side of the card for complete details.

We look forward to earning your trust in our highly-trained staff with your next service visit.

With our very best wishes to you and your family.

Andrew Johnson
